We have a few certified liaison officers in the Incident Management system. I should clarify they are not my congressional liaison officer.

I can have Tonia Biggs there on Thursday evening and she could stay a week.

Nancy has requested help for congressional inquiries on GKM at the JIC. Ideally candidate would be familiar with Congressional and Intergov Liaison work and would serve to track, manage, respond (where possible), ensure consistency with responses, or route to appropriate responders. We have a one-woman shop here in Rebecca Russo, who is working 80% time on this but has a number of year end responsibilities too. Do any of you have someone who could travel to Durango to assist Nancy on this task? Please advise. Thanks a million for your consideration!
